## CIO SERVICES

### CHIEF INFORMATION OFFICER

- ❖ Has your organization grown to the point of almost needing a CIO? Not sure?
- ❖ Do you have a solid Information Technology roadmap that will enable your business to grow?
- ❖ Looking for strong Information Technology mentorship that doesn't break the bank?
- ❖ Do you need an IT strategy that is based on sound business principles?
- ❖ Looking for solutions that solve business issues are aren't just "cool" technology?

If any of these questions are ones that you have asked yourself lately then perhaps your organization could benefit from the Markets of One Consulting CIO Services.

Simply put our CIO Services help you bridge the gap until your ready for a full-time CIO. A small monthly retainer entitles your organization to no less than 10 hours per month of qualified CIO time. In addition we've packaged the following services into our monthly fee:

- ❖ A one-time detailed assessment of current information technology, telecom, data communications, service agreements, budgets (Capex & Opex) and vendor agreements
- ❖ Presentation to Senior Leadership team of current state, recommendations and action plans
- ❖ Monthly reporting of KPI's (Key Performance Indicators)
- ❖ Annual performance review and strategic plan for coming year
